

**Question 10: Is there anything lacking in your college that you would like to see located in Place Riel?**

Good food/ vegetarian options/ healthy food/ sustainable packaging  
maybe student services closer

A clothing store that sells clothing from the college you are in.

Areas to sit and eat, there is definitely not enough space right now

better food such as in agriculture building

more choices of food

More healthy eating

more seating, tables, printers

what they have is fine

a better supply store

a campus radio station

a coffee place.

A Dean that's good?

A detail map of the university

A general lounge or study area

a grocery store and upper place should be redecorated or something it is not very welcoming, it would be better if there were more comfortable places to

A larger recycling attempt. Napkins and paper bags can be recycled too, as well as used coffee cups. Right now I'm not sure there's any where to put those but the garbage, when they should be recycled.

A photocopier.

a place for the ISSA to meet in.

a place like booster juice

a place to get reasonable priced nutritious food

A quiet enclosed space to study in but still can see passers by. MORE PLANT LIFE!! A lot of greenery could really liven the place up. More natural light as well

a quiet study space in place riel would be nice

A reading room. It would be nice to have a place with comfortable chairs to sit and read.

A roomy student's lounge! With foosball or something.(Arts student's lounge is rather lame...)

A safe meditation/sleep room.

A TD "Green Machine" ATM, considering as all the other banks are represented on campus, yet TD seems to be nowhere. Those service fees add up for us TD Members...

Adequate (ie, non-dungeon-like) rooms for campus clubs to use.

all the above and a quiet, clean place to study.

Art exhibit space

Arts lounge sucks. Actually, everything in arts sucks. It's a shitty building.

big, clean locker

bookstore with membership cards, or student discounts

booster juice and more comfy couches/chairs for study time

campus club space

Campus Club spots

card swipe into rez tunnel from upper place, and leave the doors between lower place and the arts tunnel open after midnight so rez ppl don't have to walk in the cold

Cheaper food. Wings. Tacos. Maybe some ribs. Perhaps a Tomas Cook?

Clean microwaves.

Cleaner facilities, more selection

Clocks Clocks Clocks. We need more Clocks.

Club space

Coffee shops

College-based clothing?

Comfortable chairs and tables

computer labs

Couches, rest spaces

Deli-type restaurant where you can quickly grab something and run to class.

different types of food

Don't know

Donuts

dunno

eating areas

Every other college seems to have like some kind of lounge to study in. Perhaps you could put something like that up there.

exam files in one location

Extended seating.

good coffee and nice place to hang out

Greater variety of food services if the building is going to be enlarged.

health food restaurant

Healthier choice in foods.

Healthier restaurants instead of fast food.

I feel everything i could need is available

I think U of S is pretty darn good. :)

I would really like place riel to be a place of meeting people and an appropriate setting to do so. Some Games rooms, lots of tables and couches and a market type setting.

I'm an art student. Perhaps student art works could be displayed.

information center, for different programs to direct students.

iq tests more chances to win prizes. a theater.

It's a nice place, but maybe have a second transit office there

I've never found a water fountain in lower place...i would like one.

Just more tables and areas where people can eat/study/read/visit

just student space

local food service (CHEP)

Lounge space.

Lounge space.

Maybe another healthy food option?

maybe more chairs in the seating area

Meeting areas.

## Meeting rooms

microwaves, green initiatives

more art supply stores

more available study space

more choice for food

more clocks, it's hard to know if you've missed your buss with only the one.

more clubs presenting what they are about in place riel.

More coffee shops

More comfortable seating areas

More eating area and choices for food.

more eating room (tables)

more eating space-tables

more fast foods, lounge areas

More Food Options

More food places in upper place not just the crepe factory.

more food places to choose from

more information about the goings-on of the USSU

more microwave ovens to warm my food and more free space to eat, particularly in the evening.

More microwaves

More microwaves

More microwaves

More natural lighting.

More open and free lounge areas

more places to sit and do homework on a table without having to use the library.

more public free phones

More room for student groups.

More room to sit down

more seating

more seating areas

More seating for eating

More seating.

more seats

More sitting areas

More space for lounging, rooms to hold meetings or events.

more space to sit and socialize/study

More spaces to sit with friends and talk, more lockers to store items.

more variety of healthy eateries

My biggest bothersome is lack of seating...

new furnishings in upper and lower place. Convenience store, or more comprehensive "pharmacy".

optical, groceries

optometry

other fast food venues.

Other food space, Asian food or healthy alternative.

Overall the university has got it all but it could always use a new facelift and maybe more coffee places, because the lines are horrible

photo copy/ internet kiosks

Printing/copying service that includes binding for the students not just faculty

proper vending machines that are actually filled up

quite study area

same as above.

same with the upper answer

Seamless WiFi.

Student Central should be in Place Riel, not in Admin. More lockers!

Student club spaces.

studio space is lacking, but I don't think I would want it incorporated into Place Riel.

study space

Study/leisure space

subs

subway or mr.sub,

Summer job registry

Taco Bell

The commons computer area in lower place is good, there could be more computers down there, more stations, the like...sometimes you have to wait a long time to get one...

The USSU Centres - they should be more obvious and therefore accessible.

TV screens advertising upcoming events in the university.

Unsure.

Updated directional signage.

variety of food and more eating space

video game room. not the arcade. but xbox, playstation, and wii type of gaming

Would like to see an outlet for Greyhound/Saskatchewan Transport tickets.

XM Radio.

yes, especially in the lost and found

dental supply store

ATMs

coffee shop.

escalators

Healthy drinks! All of the juices in the vending machines are almost as bad as pop.

Im in the college of education and there is everything lacking there. I find that place riel has whatever I cannot find their.

SPACE. It's so crowded. The lighting is poor.

the mascot, team pictures, a sense of identity

The old Place Riel Theatre.

A bathroom upstairs

A fountain

a relaxing atmosphere to meet with friends

a TV would be pretty cool, in Upper Place as well so we could see it as we walk through.

beer

better food services

Better food. The food on other campus is superior to the UofS' can't think of anything.

Eng is lacking in all things retail and food wise.

Engineering doesn't lack a hell of a lot so we are doing pretty good.

Engineering paper

food court already there

food stores

from the college of engineering, an improvement to aesthetic appeal of the building

good lighting

hookers

It would be nice to have some place to meet to do group work it's already there.

Meeting rooms and eating space

More banking services (ie. TD Canada Trust)

more eating places

more healthy food choices

Our college lacks both food and atm's. Place Riel provides both these services and I rely on both.

Place Riel isn't lacking much

Public computers

sunlight and plants.. please make it look as if things live inside the buildings.

support staff!!

TD ATM.

The engineering building has very little natural light--a passively heated space with lots of natural light would be nice.

The only thing that is lacking in my college (building) is esthetics, but that is not important. This is a place of higher learning and right now it's a cozy place that facilitates learning.

unsure

walk way needs expansion

We don't have any services in our College, but if I do need something it tends to be there

Well-lit spaces. I spend all day in the dank, dim engineering building, it would be nice if Place Riel wasn't so dim.

A comfortable study area that is similar to the library. There is both social areas for studying in and quiet areas for studying in.

As commercial as this sounds, I would like to see a Starbucks on campus instead of an off campus one.

I'm currently part of two different colleges, the college of Kinesiology and the college of Arts and Science for Drama. I find in both the Physical Activity Center and the John Mitchell Building are both lacking space for group meetings.

I'm in Kin....we have pretty much everything here.

Kinesiology lacks ATMS which are already provided as well as a library which is already provided

more food service areas

More student friendly space, like at U of R Ridell Center. There's nowhere really for students to sit and eat together. It really needs a big eating area. A nicely planned one like Ridell center, not just a bunch of randomly placed seats.

more study rooms that are actually quiet, unlike the library

24 hour quiet study space

can't think of anything

Hot girls?

It would be nice to have the bookstore closer to place, but we have a really nice bookstore already, so not really necessary. I would like to see the huskie/university store more out in front.

more food

tim hortons

A board room where we can hold meetings

A computer lab, rather than a bunch of computers in the hallway

Microwaves

more courtesy phones

more healthy choices, more recycling

More microwave areas.

more microwaves

Seating

A TD Canada Trust bank machine!!

better hot food options, similar to STM

drug store

Library break out rooms

more computer areas

More convenient access to the NRVC

more seating

variety of products for sale

a cash machine that converts bills to coins, places for food,

A change machine.

A quiet study space.

A REAL Students' Union that has a lounge and restaurants...

something like the Students' Union Building (SUB) at the U of A.

An easier to access bus schedules.

Another Timmies.

Bigger eating area

certain debit machines

Change machine

coffee and hot water

comfy chairs

commons room

Computers

computers with printers

couches

Extra meeting rooms

Grocery store for things like fruits and vegetables

healthy meal choice that isn't too expensive

I am in commerce and there is no where to get food there so that is the main reason I go to Place Riel.

I would just prefer to have more space for students to just hang out, more tables and chairs.

In the college no, but it would be nice if food services were more centralized.

Lost and Found, a place to hang up your coat

Meeting space.

More choice in the eating areas.

more computers

More food choices

more food options. I would prefer to be able to buy lunch in Place Riel but have more options than A&W or Treats...

More locker space. Space underneath the escalators is creepy.

More meeting places.

more places to study quietly, maybe more computers

More public access computer terminals

More seating for eating lunch.

More study areas

More TV's tuned into different channels

My college (Edwards/Commerce) doesn't have a coffee shop, but Treats has great coffee so putting another coffee shop in Place Riel isn't necessary

my college lacks alot of services that would be useful, but Place Riel already has them!

open space

Pepsi

Places to eat.

places to get food

Quiet Study space

Quite study places and or places to just hang out.

Rooms that are available to students in order to practice class presentation. (access to a computer projector)

some extra computer spaces

Starbucks

store that contains clothing for all the colleges

Student lockers

Study areas or quiet rooms.

study room/lounge commerce lounge is now a law office

subway

There is no where to eat and buy food in commerce

undecided

we need more microwaves!

yes but i don't exactly know what.
