

Question 8: What other type of spaces would you prefer in Lower Place Riel?

a coffe house

A different food services choice

a massage place

An Arts Buff kind of place... ran by the CUPE Local 1975.5 so they won't go on strike.

art

bathrooms (not gross ones)

Coffee shop.

Couches

different food services

Eateries, and local boutique shops, hint of international cultures

Eating Areas n commercial space good enough

Food

food and seating

Food service area offtering healthier alternatives

food, commercial space, larger sitting area

free massage couches

Grocery store

I just eat down there, so it's just a matter of the available tables.

I would like to see more room for students to walk through from one end to the other

Just clean it up. It always smells and feels dirty.

just more food choices

Larger TV watching area

lounge

Lounge area

More coffee shops; Starbucks perhaps

more eating spage

more food outlets

more food services

More food services, there is always a rush, and long lines

More food services.

More seating for eating

more space for eating and doing homework

None needed

Some sort of furniture outlet where students can order furniture and have it delivered.

Student Co-op shop

what i mentioned before, healthier choices, no a&w
